

Kellogg Chicago Parking Pass Information

Options regarding parking pass prices:

Each applies to a standard parking lot (D LOT) on Fairbanks between Erie and Ontario. Please refer to D LOT for ALL permits you order from Kellogg Conference Center (KCC). Permits must be ordered at least **48 business hours** in advance from Conference Center staff (312- 503-1478).

Once purchased, passes cannot be refunded.

If your guests are responsible for their own parking, they would be charged standard rates, which can range from \$14- \$40 a day (depending on time of arrival, which lot is used, how many hours, etc.).

Please feel free to reach out to Conference Center staff for further information.
